Overall, if your group has a desire to seek Christ in your lives, share it with others, and further the gospel, then High Braes is for you!

What Makes High Braes Unique?...

Unlike many retreat centers, when you choose the High Braes, you will be the only group. We cater to one group at a time. This assures there is less distractions and no competing with other groups and schedules. It also allows our staff to focus on you alone, giving your group every opportunity to get the most out of your stay with us.

To the Glory of God!

The Manor House

The Manor House is the main building at the High Braes

Refuge and is where the **51 bed lodging** area is located. It also houses the **dining room**, where our groups get to enjoy the delicious home cooked meals made with love by our caring staff. The **living room** is cozy and inviting with comfy

seating, a gas fire place, and a piano, making it perfect for smaller groups to have their organized meetings or just to relax. Retreat to the **Parlor** for relaxation, board games, or to explore the history of the Braes. Step outside and enjoy the views from the beautiful **wrap around porch** with attached gazebo.

The Campground

Another great get-away! Choose between a screened cabin (sleeps up to eight), or bring your own tent or

camper. There is a large screened pavilion with picnic tables, stove, sink, and refrigerator/freezer available for your use. Bath facilities? Yes, we have that too! Equipped with hot showers and flushing toilets.

Sitting in the center of the Braes property, the campground is well off the road, providing a quiet and private retreat. The trail system joins directly into the campground for easy access.

How it Began...

In 1973, **Ron and Lorraine Hodge envisioned** a place where people could come to rest, hear the message of the gospel of Christ, grow in that faith, find fellowship with other believers and enjoy God's creation. **God made their vision a reality** through a piece of property located in the Adirondack mountains.

Ron and Lorraine purchased the property and began the long process of restoring the abandoned nineteenth century mansion that is

known today as the **Manor House**.

Since the beginning of its existence, the Braes has been used in countless ways to reach hundreds of people for Christ!

The Braes is more than just food and accommodations. We see it as our ministry. It is small and personal and our staff is ready to make you feel at home.

If you are looking for a retreat center where you can get away from it all, the Braes has something for you
